

**Our global team delivers high-impact programs to meet your specific requirements. Superior communication skills are the result.**

## **PowerSpeaking®**

### ***Get an Expert Foundation***

An intensive, skill-based workshop that transforms people from ordinary to extraordinary presenters. Learn to craft an easy to follow, engaging presentation and project confidence through effective style.

## **Speaking Up: Presenting to Decision Makers®**

### ***Win Over Senior Executives***

Based on extensive interviews with senior executives, the course teaches participants how to provide critical context, bottom-line communication, and demonstrate executive presence.

## **HighTechSpeaking®**

### ***Make Technical Data Come Alive***

This course is designed specifically for engineers, scientists, and other technical presenters. Learn to translate complex data into a logical, concise framework that is also engaging.

## **Confident Speaking for Women™**

### ***Be Clear, Be Confident, Be Courageous***

A highly interactive working session that addresses the unique communication challenges and opportunities women experience in their careers.

## **Powerful Storytelling™**

### ***Tell Stories That Captivate***

Helps people master the power of storytelling in the business environment to inspire action, build relationships, and move the business forward.

## **Coaching**

### ***Take Your Speaking Skills to the Next Level***

Tailored guidance for leaders, individuals, and groups by Master Coaches with substantial experience. Prep for any high-stakes presentation—a product launch, a board meeting, or a sales kickoff.

## **Achieving Meeting Excellence**

### ***Make Meetings Matter***

A skill-based workshop that teaches people how to be effective meeting planners and facilitators. Includes planning checklists and individual feedback.

## **ConferenceSpeaking™**

### ***Prepare for a Speaking Event***

This course is based on in-depth interviews with conference presenters. It's designed specifically for various modalities of conference presentations, including keynotes, panel discussions, and small-group talks.

## **SalesSpeaking®**

### ***Make the Sale***

Gives sales professionals the confidence, skills, and strategies they need to engage and persuade decision makers.

**Get the format you need, in person or online. Our Master Facilitators offer large-group sessions; intensive, individualized, focused workshops; or personal coaching. Participants learn a step-by-step approach to achieve repeatable communication success.**
